3. First Place Team wins a trophy.
4. Individual Medal Championship tie settled by sudden death playoff: starting on first hole.
5. Team ties sealed by match of cards: total team scores by hole (starting at the first hole).
6. USGA and local rules govern play. Preferred lies in your own defined fairway only.
7. Ground under repair, new grass and eroded areas will be clearly marked or identified.
8. OUT OF BOUNDS – Stroke and distance, player, must re-tee

9. A Marshal will be assigned to every group of players. Each player will announce the proper score on the hole before reporting to the next tee area or before leaving the last hole played. The player will announce his/her score to the Marshal and to the other players in his/her group for each hole completed. However, the Marshal's score card will be considered the official scorecard.

10. At the end of nine holes, the marshal and players will make sure that all scores are correct before the marshal reports the scores to the official score keeper. At the end of 18 holes, again, the marshal and players will make sure that all scores are correct before the marshal collects all the scorecards and records the official scores (added and totaled) to the official scoring desk.

11. All female participants will play from forward tee.

\* If during the course of play, the player is uncertain about a ruling, the player may elect to play a provision ball. The hole must be played out with both the original ball and provisional ball; both scores must be announced and recorded. The Rules Committee will then determine the proper score for the hold.
